lusotufo®
rugs & carpets for life

QUALITY, EXPERIENCE AND FLEXIBILITY

*"We produce standard and custom carpets and rugs
for residential and hospitality purposes"*

Over the past 80 years our extensive experience has enabled us to grow and invest with confidence in the development of an ever increasing number of standard and bespoke carpet and rug qualities.

Having absolute control over the entire production process (from raw materials to blending, dyeing, spinning, tufting and finishing) provide us an important competitive advantage giving an additional guarantee to the quality and accuracy of our products.

Unique textile floor coverings are manufactured at Lusotufo on a daily basis, either for residential areas or hospitality projects, fulfilling the commercial requirements in a great variety of styles.

BESPOKE CARPETS AND RUGS

We specialise in customising products and developing original Private Label collections of wall to wall carpets for our client throughout the world!

We are able to meet all the challenges in terms of design, materials and technical requests.

We create a vast range of personalised carpets and rugs for architectural and decorative companies operating in different areas, such as, hospitality, nautical, offices, theaters, shopping malls, etc... and still we develop collections for large international resellers.

"Our success is based on continuous development in materials, colours, design and service"

DESIGN CREATES PERSONALITY COLOUR MAKES MAGIC!

*"We provide free support in the design
and product development required by our clients"*

Our design team will bring your ideas to life, presenting you a prototype sample and responding to the technical requirements of your own needs.

We invite you to make your selection from a wide range of materials, a vast and wonderful colour palette and a broad offering of textures, pile weights and heights to suit your every needs.

Customers have long appreciated the quality and flexibility of our service and we are confident that you will not be disappointed.

UNIQUE TEXTILE FLOOR COVERINGS

At Lusotufto, we produce a huge variety of tufted loop pile and cut pile carpets (velvet, saxony, twist).

We also produce natural flatweaves with a diverse presentation of textures and designs, from the simplicity of a plain touch to high and low berbers, and a wide selection of colourful stripes and zig zags.

Natural wool carpets are the basis of our business but we also manufacture a wide range of synthetic soft touch fibres carpets for residential and hospitality markets.

Our standard collections offer a vast array of decorative styles including contemporary, classic and rustic.

TAILORED SOLUTIONS FOR EACH PROJECT

Lusotufo will help you to realise your own ideas and will develop the carpet or rug that you imagine for each area of your project.

Our Contract Department boasts a highly experienced team of professionals who offer a global and specialised service dedicated to the needs of each customer.

Lusotufo offers you technical answers!

We offer a broad collection of commercial carpets, considered for the Contract market - Graphics / Axminster / Printed - with a boundless selection of patterns and a complete collection of mechanical and hand-made rugs.

We invite you to be inspired by our magnificent colour palette and tempted by the wide range of materials we propose for your custom design. We will be proud in developing your tailor made product.

The development flexibility of our company allows our customers to combine different textures with diverse patterns suitable for all area and decorative style.

RUGS

CREATE YOUR OWN RUG... TURN YOUR IDEAS INTO REALITY!

Lusotufo offers you a vast range of mechanical or hand-made rugs. In our collection you may find a wide selection of rugs, manufactured in a variety of techniques, materials and decorative styles.

From contemporary, classic, vintage or natural style... we invite you to visit our website www.lusotufo.pt and discover our offering.

In addition to the products displayed in the catalogue and available on our website, Lusotufo has the ability and capacity to develop all types of custom rugs.

Our design team will create your customised rug including a free development service complemented by an extensive range of colours, materials and finishes.

STANDARD RUGS

Embracing all decorative styles

We offer a wide collection of mechanical and hand-made standard rugs, that features an amazing variety of colours and patterns, with different materials and wonderful textures constructions, highlighting contemporary, rustic and classical decorative styles.

In Standard Rugs collection you may find a set of solutions in decorative rugs for indoor and outdoor in different compositions of materials.

FAST RUGS

Keep it simple

We can make your Lusotufto Fast Rug from a simple custom cut size carpet of your choice. You can complete your Fast Rug with a broad range of bindings and finishings that you may find at our website.

EXTREME RUGS

Raise up your CREATIVITY

Imagine your rug as a “puzzle” made of diverse carpet cuts (in CAD system) and gathering different colours, textures and shapes.

Select your own pattern: geometrics, stripes, flowers, kid's drawings, names, companies logos or any other design of your choice.

Extreme Rug is carefully hand-assembled and finished at Lusotufo, which ensures absolute accuracy.

CRETA RUGS

A work of art!

As an original hand-made product, this rug is a decorative element of unique originality and premium quality.

You may select your design, colours and materials (wool, viscose, linen or cotton) and create your exclusive rug.

CRETA RUG drawings can have more details, once it's possible to introduce small details with embossing relief effects or with small carving grooves, resulting in an unusual work of art!
