EDIÇÃO 2018

rugs & carpets for life

Distintos e irreverentes, os tapetes EXTREME assumem um papel determinante na decoração de interiores, capazes de transformar ambientes e marcar a diferença em espaços personalizados com extrema originalidade!

Design Personalizado

Da união de distintas alcatifas, nasce uma peça única e personalizada, permitindo ao cliente escolher o design, as cores e as texturas que irão compor o tapete.

Versatilidade de Formas

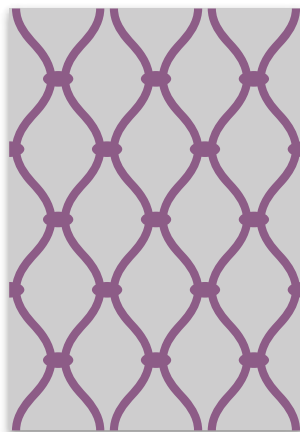

O tapete Extreme é versátil nos formatos e nos acabamentos. O cliente pode optar por um formato mais usual, como rectangular, quadrado, circular e oval, ou idealizar uma forma irregular e assimétrica.
